## EDUCATION

### Harvard College

A.B. in Economics | GPA: 4.0 / 4.0 | LSAT: 174

Cambridge, MA  
May 2027

## RELEVANT EXPERIENCE

### Goldman Sachs

*Incoming Natural Resources Investment Banking Summer Analyst*

New York, NY  
Jun. 2026 - Aug. 2026

### Energy Impact Partners

*Flagship Investment Summer Analyst*

New York, NY  
Jun. 2025 - Aug. 2025

- Built and updated comparable companies & transactions, financial models, and company & product overview decks for 15 potential acquisitions spanning utility software, clean molecules, and industrial electrification to be presented at investment committee
- Compiled 15,000 companies using Pitchbook and Affinity data to update internal outreach tracker
- Created and presented entire mock Series B pitch deck with business & product overview, investment theses, risks, potential exits, comparable companies & transactions, and DCF model for RaptorMaps solar panel drone technology to investment committee

### Green Century Funds

*Shareholder Advocacy Analyst (20 hrs / week)*

Boston, MA  
Sept. 2024 - Dec. 2024

- Curated 24 company profiles analyzing environmental risk for shareholder engagements regarding alternative proteins, plastics, deforestation, sustainable sourcing, and emissions in the consumer, industrial, and insurance space
- Presented 6 slide decks regarding climate risk, biodiversity, plastics, and regulation for employee training and potential engagement
- Designed a comprehensive shareholder proposal tracker in Excel with dynamic graphs and automatic deadline notifications

### Brady Center to Prevent Gun Violence

*Legal Intern*

Washington D.C.  
Jun. 2024 - Aug. 2024

- Discovered and added 210 missing court cases from a database of 650 Supreme, Circuit, District, and State courts
- Vetted and analyzed 185 amicus briefs, expert declarations, and complaints across 51 legal cases
- Conducted legal and policy research presented at a hearing which successfully overcame a motion to dismiss

### Sustainability, Transparency, Accountability Research (STAR) Lab

*Research Assistant (Prof. Michael Hiscox)*

Cambridge, MA  
Mar. 2024 - May 2025

- Collaborated with the Commonwealth Bank of Australia to design a behavioral economics story-telling-based intervention for small businesses and consumers to increase program uptake for solar mortgages
- Drafted and submitted a 24-page grant proposal including 2 expert interviews, 2 surveys, and energy savings cash model to implement a peer comparison of student housing energy usage to decrease residential energy consumption

## LEADERSHIP & ACTIVITIES

### Harvard Undergraduate Ethics Society

*Education Director (Fall 2026), Ethics Bowl Competitor (Fall 2025 - Present)*

Cambridge, MA  
Fall 2025 - Present

- Top 16 national team, placed top 3 in Northeastern regional tournament by preparing and presenting 32 ethical dilemmas
- Developed an Ethics Bowl tournament managing website to automate judge ballot data wrangling and tournament management
- Will instruct new member 7-week training covering introductory philosophical texts, rhetoric, and argumentation

### MIR (미리) Investments Group

*Chair of Education (Spring 2025 - Present), Formerly: Portfolio Manager, Analyst*

Cambridge, MA  
Jan. 2024 - Present

- Spearheaded 4-week new member training curriculum and final project increasing retention by ~x2 (40% to 80%)
- Manager of a Korean student-run \$25,000 fund invested in industrials, tech, consumer, and retail
- Pitched long NYSE: NYT (+42%) based on underrated gaming platform causing higher upsell, market penetration, & retention
- Pitched short NASDAQ: DUOL (+52%) based on tapped out market, overreliance on virality, and low quality DAU growth from resurrected users leading to greater long-term churn and lower payer penetration and willingness to pay

### Course Assistant

*ECON10A/B: Introductory Microeconomics/Macroeconomics (Spring 2026 - Spring 2027),*

Cambridge, MA  
Sept. 2025 - Present

*ECON1010A: Intermediate Microeconomics (Fall 2025), GOV1737: Evaluating the Impacts of Public Policies (Spring 2026)*

- Taught and designed weekly classes and powerpoint slides for 23 students covering introductory and intermediate microeconomics
- Designed and graded 5 problem sets covering statistical inference and econometrics using LaTeX, R, and Excel for 223 students
- Graded 339 final exams within 72 hours and 220 total weekly problem sets over the semester

### Harvard Undergraduate Clean Energy Group

*Co-Founder / Co-President of Sustainable Finance Group*

Cambridge, MA  
Aug. 2024 - May 2026

- Founded Harvard's only ESG and impact investing on-campus fund managing \$1,000 in renewables and utilities
- Designed and led a 7-week curriculum, teaching sustainable finance, valuation, and accounting to 30 students
- Pitched NASDAQ: FSLR (+44%) based on massive GW backlog, emerging market expansion, and heavily domestic supply chain creating overlooked macroeconomic, political, and tariff resilience
